

## Minutes of the BFHSA General Membership Meeting

The general membership of the Ben Franklin High School Parent Association met at 6:30 p.m. on Tuesday, October 20, with 23 parents, teachers and administrators in attendance at the beginning of the meeting.

The President of the BFHSPA presented the budget for 2009-2010 to the membership and appealed again to the membership to send dues in. Approximately 100 students have paid their dues, a very small proportion of the school's families. The President announced a membership drive. Mary Beth Myer moved that the membership adopt the budget and Josephine Everly seconded the motion.

The budget was approved by the membership with no dissents.

Dr. Pearce invited students and families to go on the German and Latin European Carousel Tour in summer 2010. The seventeen day tour promises to be an exciting tour for students, teachers and parents, and Dr. Pearce extended a special invitation to parents to feel free to join their students on this trip.

The membership then attended to the invited speaker who gave a presentation on Raising Kids in a Wireless World.
