

Ben Franklin Athletic Association 2011-2012 Membership Form

The Ben Franklin Athletic Association (BFAA) provides support for our school's athletic programs. Many of the sports program needs exceed the resources provided by the school's budget, particularly capital expenditures. Some examples of the types of support provided by BFAA include equipment, maintenance, uniforms, out-of-town travel expenses, awards and championship recognition banners.

We are also pleased to sponsor the Athletic Banquets to honor our student-athletes.

BFAA is the "Booster Club" for Franklin athletics.

The BFAA raises funds in many ways, including your membership dues, concession operations, clothing sales and other special Falcon fund raising programs such as our Falcon Feast.

Our major source of funding comes from your membership.

Please be generous so that all student-athletes at Benjamin Franklin High School can benefit.
