## CONCERNED ABOUT PAYING FOR COLLEGE?

Starting October 15, all colleges and universities must have on their website a financial aid calculator. This will help you see and ESTIMATE of what your expected family contribution will be if you attend that institution. In the meantime, see where you stand with financial aid right now by trying the FAFSA4caster on the FAFSA website: <https://fafsa.ed.gov/>. Click on FAFSA4caster (lower right side) on the first page. This site will give you an idea of where your family stands for financial aid. What you will learn is an ESTIMATE of your EFC (Expected Family Contribution). This financial aid calculator will give you a good estimate for schools that do not require the CSS Profile. For schools that require the Profile, try this page on the Williams College website: <http://www.williams.edu/admin/finaid/calculator/>.
